# SPAX International GmbH & Co. KG - Made in Germany

## We get involved - at home and abroad

SPAX International is a company with a long standing tradition and a great future. The SPAX brand is recognised for excellent quality and performance and is now available all over the world, however loyalty remains to the "Made in Germany" commitment!

SPAX International remains true to it's European manufacturing location in Ennepetal, Germany. Being involved in our local community is part of our corporate philosophy; just as our commitment in a globalised world.

## Sometimes, it's sharp to be square.

SPAX – Do it once. Do it right. Combine the square SPAX 4CUT point with the SPAX MULTI Head and the SPAX ground serrations, and what do you get? A high-tech screw in a class of its own.

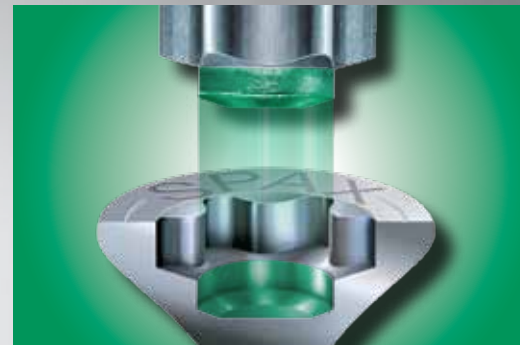

### The technology:

A SPAX screw is a symphony of optimized design solutions for a new dimension in professional fastening.

### SPAX T-STAR plus

positive and secure fit of the bit and better driving, e. g. when working overhead.

SPAX T-STAR plus

### SPAX MULTI Head

flush countersinking into wood and acts as a brake on metal fittings.

SPAX MULTI Head

### SPAX ground serrations

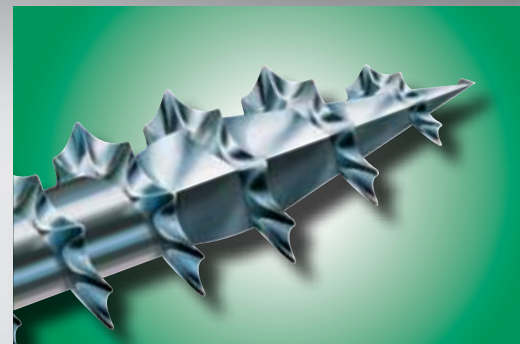

for quick and secure fastening.

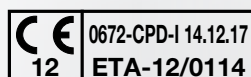

SPAX ground serrations

### SPAX 4CUT point

no pre-drilling (wood-dependent), reduces splitting. Square end displaces the fibres and reduces the screwing in torque.
